Directory of 1100 Prominent Sikhs (male and female) of the Present World

Kes Sambhal Parchar Sanstha, Registered at Amritsar and having its functional units at different places in Delhi and Punjab, has been functioning for the last 15 years for achieving its various aims and objects. Although, its main object has been to promote a spiritual way of living among various people for the establishment of a spiritual society, it has been its endeavour to propagate the tenets and teachings as contained in Sri Guru Granth Sahib for bringing peace and harmony among all the people all over the globe. In the context of propagating the Sikh concepts, it has always been its desire to promote unity and uniformity among the Sikhs, so that our daily Ardas "*Jahan Jahan Khalsa Ji Sahib Tahan Tahan Rachhiya Riayat*" is fulfilled. Thus, the Sanstha has decided to prepare a directory of prominent Sikhs living anywhere in the world with a view to increase information and closeness among them as to achieve the object of strengthening the Sikh community in all respects. We wish that we could make a directory of all our Sikh brothers and sisters living anywhere, but, due to our limited resources and limitation of the size of the directory, we are restrained to restrict this number to 1100 prominent Sikhs in different walks of life. The prominent Sikhs will be included in the following 10 categories :

1. Sikh Preachers
2. Social Workers in different spheres
3. Business tycoons
4. Sikhs holding high positions in Govt. Departments
5. Sikhs on high political and constitutional posts
6. Sikhs with Prominent positions in Pvt. Sector
7. Top Sikh Professionals
8. Highly Qualified Intellectual Sikhs
9. Sikh Achievers in any Field
10. Prominent Sikhs who have brought name and fame for themselves and the community and are not covered by any of the nine categories above.

The Sanstha has prescribed a minimum standard of eligibility for inclusion in the directory. For example, in the field of Dharm Parchar, all such Gurbani Singers, Kathawachaks or Preachers will be given priority who are doing nishkam service or spending the money themselves for promoting Sikhism. Further, such preachers who can tell the people about Sikhism in English or other Indian and foreign languages and can present their view point in UNO or other inter-religion gathering/conferences will also be given priority. Those, who are charging a handsome price for this noble task will disqualify for this purpose. In the field of social service, all such persons who serve the mankind in any manner without any selfish interest, will get a high position in that category. Businessmen with an annual turnover of over Rs. 10 crores or above will be included. The extent of the business, its branches and its reputation will also be considered for giving position in this category.

Any person who holds a post in the Govt. must be of the rank of Director and above. Similarly in foreign countries, those serving the govt. at equivalent high positions will be considered. In respect of private sector, the position, the status and the pay package will all be taken into account while determining the position. In politics also, only people with highest political or constitutional position will be considered. Those holding some prestigious positions in some committee or commission will also be included in this category. The political positions will further include governors, judges and the heads of ministries/departments (if they are not considered in govt. posts category). All the professionals like Doctors, Advocates, consultants, CAs etc. will be considered in the professionals category. The intellectual category will include the people with high

qualifications (not less than Master's Degree) and/or research scholars in any subjects with minimum two publications. The Sikh achievers will be those person who have benefitted the humanity in any way with their invention/innovation/achievement and won appreciation on national/international levels. Those who are not covered by any of these categories may be considered in the last category if they have made the Sikhs proud by any of their works/actions/accomplishments or achievements. It may be clarified that for all the categories, only those persons will be considered who live in Sikhi saroop, accept *Rehat Maryada* and believe in the teachings of the ten Gurus and as enshrined in Sri Guru Granth Sahib Ji.

The message regarding making of this directory and including the names of prominent Sikhs in different fields will be propagated through advertisements in the media and newspapers and also social media. It will also be spread through mouth and for that purpose you can help us by informing it to the maximum people you know and giving us the particulars of the concerned persons. We have to ensure that no prominent person is left. When the directory is complete and will be circulated throughout the globe, we shall feel sorry if any such name comes to us at that late stage, when we will not be able include the same. The decision of selection committee of Sanstha in including a name in a particular category will be final and it can not be challenged at any platform or in any court of law. The directory will be released simultaneously at many places in the world on the occasion of the Parkash Utsav of Sri Guru Nanak Dev Ji in 2016.

As the directory is to be distributed all over the world and the names to be included in this directory will be only of 1100 prominent Sikhs, each and every Sikh is hereby given a right to send an advertisement regarding him, his works, that of his firm or company and such advertisement will appear on the specified pages of the directory.
